## SOME RECENT ARTICLES ON KATHMANDU: A SHORT BIBLIOGRAPHY

by PRATYOUSH ONTA, ANDREW NELSON  
AND BENJAMIN LINDER

This is a short working (obviously incomplete) bibliography of mostly recent journal articles and chapters in edited volumes in English (with one exception) related to the city and valley of Kathmandu. Books are not included here. We are uploading this list in the hope that it will be useful to students in Nepal (and others elsewhere) who are thinking about doing new research on/related to Kathmandu. Other researchers should feel free to write to one of us (Onta; email: [sinhas@mos.com.np](mailto:sinhas@mos.com.np)) with information about relevant missing items that should be included here. We would be grateful for any such suggestion.
