

Directions to Martin Chautari Office, 27 Jeetjung Marg, Thapathali, Kathmandu

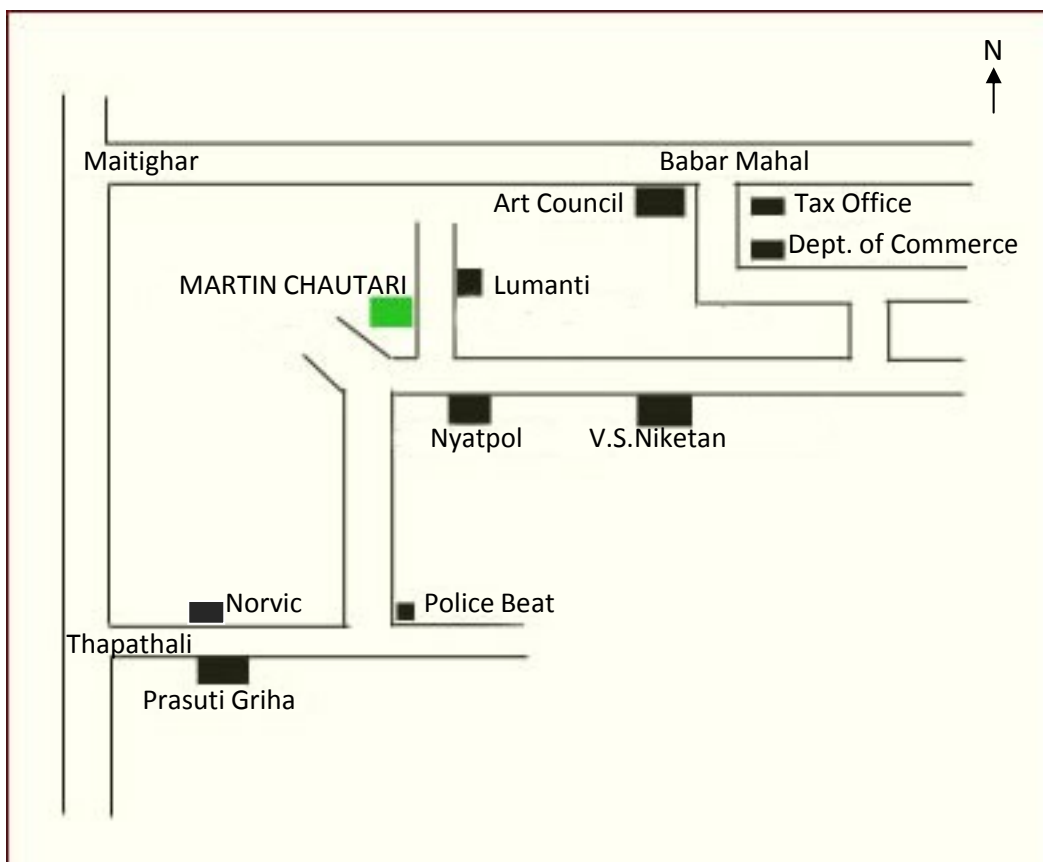

Easiest route:

From Singhadarbar/Maitighar Mandala, go towards Thapathali. Just before the bridge over the Bagmati (which takes you to Patan), turn left. After 80 meters, you will see Norvic Hospital on the left and the Maternity Hospital (in Nepali, Prasuti Griha) on the right. Continue straight and after 30 meters, turn left. You will see a Police Beat at the turning. Go straight for about 120 meters. Turn right towards Babar Mahal but immediately turn left and go north. You will see a motorcycle workshop on the left followed by a tea shop. Next big door (black) is Martin Chautari Office.

More complicated routes:

If you are coming down from Baneswor, take the left turn at the Tax Office and Art Council intersection. Then follow the route shown in the map below.

Another possibility is the road from Maitighar (not shown on the map) via St. Xavier's College and then the United Mission to Nepal (UMN) Office. After you pass the UMN office, follow the road until you meet the road coming north from the Police Beat as shown in the map below.
