

Writings on Nepali Women: A Reference Bibliography

Editors' Note: This bibliography concentrates on items published in the past decade but also includes some earlier studies.¹ It contains a mix of books, journal and magazine articles, theses, and development reports. It is not comprehensive, but neither is it a purely random collection. Concentration on recent work is intended to give us all at least a general picture of the kinds of things being written about Nepali women these days. One can notice here, for example, the recent rise in attention to Nepali women and girls being sold into prostitution in India, and the migration of that information from NGO/INGO reports into publications as diverse as *The Nation* and *Good Housekeeping*. Inclusion of some older work allows us to notice both persistent themes (measurement of the fertility of female Nepali bodies for example) and shifts of attention over time. It also serves as a reminder of some of what has already been said. Thus where older work is concerned we have tended to include less well known studies (other CEDA reports, for example, rather than the already well known *Status of Women* series). We have also made an effort to include, along with recent theses, older ones that have not, to our knowledge, had their main contents published in book form. Keeping track of what has been said in the past, and in disparate venues (e.g., academic and non-academic; in-house NGO/INGO reports versus published sources) has value not only for historical study of representations of Nepali women, but also as an aid to assessing current work—what's new, what's being repeated? Moreover, some older studies and work published in venues that are, in Nepal, obscure (which includes many academic journals published abroad) may have new relevance today. During the

¹ Our thanks to Karl-Heinz Krämer for the German references included here. Apologies to readers of French that we were able to include just a few references in that language. For Nepali references see the separate bibliography in this issue. We have included incomplete references where full information was not available. The development report literature on Nepali women is vast. Our effort here has simply been to provide some references to studies from some of the more prolific organizations which interested readers might use as a starting point in tracking down further such literature. All English sources referred to in the preceding essays are also included in this bibliography.

debate over women's property rights of the past few years, the virtual absence of reference to the many studies of women conducted during and since the UN-declared "Decade for Women" has been very striking. Thus we have made an effort here to include works of many kinds on marriage and those on kinship that make substantial reference to women. If this work has no relevance to the debate over property rights, then something is amiss in social science land. If it has relevance but its authors, or others, are failing to bring it to bear on the controversy, then something is amiss in the relation between academic research and public sphere activism. Of course, what is needed is not just a list of these publications, but rather the studies themselves. We invite any author represented here (and those we may have missed) to send copies of their publications to SINHAS. They will be deposited in the Martin Chautari library in Kathmandu, which is made available to local researchers, journalists and students.

लेखनमा नेपाली महिला: सन्दर्भ-सामाग्री सुची

लेखनमा नेपाली महिला 429

सम्पादकीय टिप्पणी: नेपाली महिलाबारे साधारण पत्रिका, साहित्यिक पत्रिका, प्राज्ञिक जर्नल, साहित्यिक तथा अन्य पुस्तकहरू, गैरसरकारी तथा सरकारी संस्थाहरूका प्रकाशनमा उपलब्ध केही सन्दर्भ सामाग्रीहरूको सुची यहाँ प्रस्तुत छ। विभिन्न विधा र किसिमका सामाग्रीहरू समावेश गरि नेपाली भाषामा नेपाली महिलाहरू बारे के कस्तो कुरा लेखिएको छ भन्ने साधारण जानकारी पाठकहरूलाई दिन हामीले यहाँ प्रयाश गरेकाछौं। नेपाली महिलाहरू बारे नेपाली साहित्यमा धेरै लेखिएको छ। ती मध्ये अधिकांश यहाँ परेका छैनन्। 'विकासमा-महिला' सन्दर्भमा पनि नेपाली महिलाहरूबारे धेरै लेखिएको छ। समाजशास्त्रिय विधाहरूबाट नेपाली महिलाहरूबारे लेखिएमा सामाग्रीहरू अङ्ग्रेजी भाषाको दाँजोमा नेपालीमा थोरै मात्र पाइन्छ। साधारण पत्रिका र साहित्यिक पत्रिकाहरूमा नेपाली महिलाबारे लेखन बढ्दो मात्रामा पाइन्छ। यी विभिन्न किसिमका सामाग्रीमध्ये हरेक थोरै संख्यामा यो सुचीमा समावेश गरिएका छन्। हालका वर्षहरूमा नेपाली पत्रिकाहरूमा महिला हस्ताक्षर र महिला विषयको लेखनमा वृद्धि भएको पाइन्छ। नियमित रूपमा विभिन्न पत्रपत्रिकामा लेखिरहनु भएका भुवन दुङ्गना, सुलोचना मानन्धर, बिन्दिया प्रधान, हिसिला यमि, अमृता बास्कोटा, शोभा गौतम, बानिरा गिरी, ज्ञानु पाण्डे, बविता बस्नेत, कमला पराजुली, मन्जु थापा, गौरी प्रसाई, शोभा चन्द, कोमल ओली, कमला स्वरूप, सिता पाण्डे आदि महिलाहरू र राजेन्द्र प्रसाद अधिकारी, सरोज पन्त आदि पुरुषहरूको लेखन (यहाँ नपरेको) पनि यस विषयमा अरू बढि जान्न चाहनेहरूलाई अति आवश्यक पठन सामाग्री हो भन्ने हामी ठान्छौं। तल उल्लेखित पत्रिकाहरू - विशेष गरेर अस्मिताका हालसम्म प्रकाशित ४८ अङ्कहरू - मा नेपाली महिलाहरू र नेपाली समाजबारे लैङ्गिक दृष्टिकोणले प्रशस्त सामाग्रीहरू उपलब्ध छन्। राजनैतिक पार्टी र अरू संगठनहरूका महिलासम्बन्धि मुखपत्रहरूमा पनि नेपाली महिलाहरू बारे विशेष प्रकारका सामाग्री पाइन्छ। यो सुची धेरै अधुरो भएकोले यस विषयका अनुसन्धानकर्ताहरूलाई आफ्नो अध्ययनको प्रारम्भिक चरणमा मात्र भए पनि यो उपयोगी होला भन्ने हामीले आशा राखेका छौं।
